D.T.E. 05-68

SECOND SET OF INFORMATION REQUESTS OF THE
DEPARTMENT OF TELECOMMUNICATIONS AND ENERGY TO
KEYSPAN ENERGY DELIVERY NEW ENGLAND

D.T.E. 2-12

Date: February 14, 2006

Respondent: Leo Silvestrini

- Q. Please provide the following information:
- (a) own-price elasticities used in the forecast;
 - (b) fuel switching data by customer type; and
 - (c) fuel market share used by customer type.

- A.
- (a) Please see Attachment DTE 2-12 (a).
 - (b) Please see Attachment DTE 2-12 (b).
 - (c) Please see Attachment DTE 2-12 (c). Please note that the designation "fuel market share by customer type," is identifying the percentage of new customers (by end-use type) who have economical access to the gas distribution system and choose a particular fuel (gas, oil, electric).

The data provided in Attachment DTE 2-12(b) is competitively sensitive and is the subject of a Motion for Confidentiality filed by the Company on February 14, 2006. The Company has provided a redacted version of the spreadsheet with this response.
